Re: FCC Region 8 Plan Amendment
Region 8 Docket #88-476
Sen.

Dear Ms. Salas:

We are seeking FCC approval for the attached modification of the above referenced Regional Docket. FCC Region 8, The New York Metropolitan Area (a.k.a. the Tri-State Radio Planning Committee) encompasses the area west/southwest of Hartford, Connecticut; southern New York State below latitude 42 degrees; and the area north/northeast from Trenton, New Jersey. The new allotment is the result of a 6th window opening wherein we imposed operational limitation in order to squeeze in this proposed usage.

The approvals from adjacent Regions 30, 28 and 19 are included.

Thank you for your assistance in this matter. Should you need additional information, please call my office at 631-852-6431.

By direction of the Regional Chairman, Paul Einreinhofer.

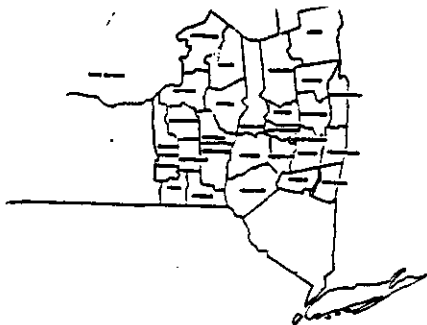

Yours truly,

Vincent R. Stile
Corresponding Secretary
FCC Region 8
